Virtual test policies for ARFSC

In addition to adhering to all USFS rules and regulations the following policies are enforced by ARFSC:

Test applications:

All test applications will require the signature of a coach that is in full compliance with USFS certification and currency requirements. These include:

- Current USFS membership with self identification in a coaching role
- Current liability insurance through either USFS or ISI
- Current Background check
- Current Safesport Training
- Core coach training and certification
- Member of USFS Coach ICE
- Code of Ethics Agreement
- Misc Waivers required by USFS

Payment must accompany a test application.

Coaches will need to be disclosed to USFS when registering for a test.

Test Sessions:

Only coaches meeting the USFS currency requirements may accompany a test candidate to a test session at ARFSC. No additional coaching will be allowed. This is to adhere to USFS policies. No exceptions. Non-USFS coaches may observe the test from the balcony only!

Proctors should be an adult member of ARFSC who meets the USFS proctoring requirements and who is familiar with USFS testing procedures. Proctors will be co-located with the videographer at the time of the test and observe all proceedings. USFS proctoring restrictions include:

The proctor must be an impartial person of authority (i.e., test chair, rink management, skating school director, board member or local skating official) but may NOT be a coach/choreographer who has worked with the candidate, a training mate who takes from the same coach or is a personal friend of the candidate, or a parent/guardian of the athlete or any training mates.

Proctors must watch the test performance, verify that the full performance was completed on the date and time indicated in the athlete's recording as a single continuous recording, and complete the performance affidavit.
